

AN EAGLE'S VIEW

Enhance your self-awareness and make emotions work for you to build more productive relationships—professionally and personally—through emotional intelligence training. Understanding and improving the connection between emotions and actions is crucial to business and personal success.

Without such insights, even seemingly

successful relationships may be courting disaster. Emotional intelligence (EI) and emotional intelligence training are very hot topics in today's workplace. Now you can actually develop and enhance the skills that will positively impact your work—and in doing so, tap into a whole new level of achievement in your career.

How You Will Benefit from An Eagle's View

- Recognize the impact that EI abilities have on your professional development and career
- Increase self-awareness and develop a clear understanding of your strengths
- Understand your weaknesses through emotional intelligence
- Learn strategies to help you manage counterproductive tendencies
- Improve your sensitivity to corporate cultures
- Identify and apply the four key emotional skills
- Create an action plan for continued EI self-development

What Wade Will Cover in An Eagle's View

- Characteristics of the emotionally intelligent person
- Connecting emotional expressions to read people more accurately
- Leveraging emotions to help you think
- Emotional tasks: enhancing your skills
- Meeting the emotional needs of others
- Managing emotions effectively

This course comes with the companion book "An Eagles View."
